A dispatch from Indianapolis, Ind., says: "Some of the features of a strong secret political organization, numbering several hundred thousand members, have been uncovered here. It extends from Maine to Cahifornia. It claims 25,000 members in Indiana. 50,000 in Illinois, 60,000 in Ohio and 40,000 in Maine. The name is the "New Era," and it is anti-monopolistic in character. It is charged that the order has been organized in Ben Butler's behalf and that its movements are concealed to further his presidential aspirations. The organization tial aspirations. The organization was founded in Chicago less than a year ago. Some of its principles may be gathered from the following card inviting membership to the organ-ization.

inviting membership to the organization:

"Before the one Father who watches over all, we stand as brothers, and seek to establish equity and fraternity in all relations of life. We love our country and support the execution of all equitable laws, yet hold that laws which defeat equity are crimes against the inalienable rights of men. The right and title of the men of toil to the fruits of their toil and to a safe home and country are from God, and sooner or later His will shall be reached and established among men that it may be done on earth as it is that it may be done on earth as it is in heaven. We invite all good men of every proper trade and calling, who believe in and hope for these things and are willing to fraternally co-operate for their accomplishment, to come into our organization."

A little transaction has come under our observation during the past week, which is too contemptible for anything, and causes us to have less re-spect for "poor Lo" than we had be-fore entertained. An Indian went to a white man and told him that he was

a white man and told him that he was very ill and requested him to get him some liquor. The gentleman being a new-comer and unacquainted with the laws on this point, through sympathy did as requested. The Indian drank the liquor and went away feeling better. In a short time two other Indians went to the gentleman for liquor, but he refused to get it for them; they went away and soon Indian No. I returned for more liquor, and he too was refused. This refusal raised his ire and he proceeded to inform on the gentleman who had befriended him, and he was taken to Portland and fined before the U.S. court for doing what he supposed to be an act of mercy. You see the person informing the authorities of a violation of law gets paid for such information.

Mr. J. W. Reed, editor of the Farragut, Ia., News, says: "I was afflicted with rheumatism, so badly, that I could scarcely walk. St. Jacobs Oil, the great pain-cure, was applied but once and it cured me."

Nature's own true Laxative. Pleasant to the palate, acceptable to the Stomach, harmless in its nature, painless in its action. Cures habitual Constipation, Biliousness, Indigestion and kindred ills. Cleanses the system, purifies the blood, regulates the Liver and acts on the Bowels. Breaks up Colds, Chills and Fever, etc. Strengthens the organs on which it acts. Better than bitter, nauseous Liver medicines, pills, salts and draughts. Sample bottles free, and large bettles for sale by W. E. Dement & Co., Astoria.

Analysis by Lr. A. Voelcker, F. R. S., Con-sulting Chemist Royal Agricultural Society, England, shows only a trace of nitrates in Bisckwell's Bull Durham Tobacco. The soil of the Golden Belt of North Carolina, in which this tobacco is grown, don't carolina, in which this tobacco is grown, don't supply nitrates to the leaf. That is the secret of its delicious mildness. Nothing so pure and luxurious for smoking. Don't forget the brand. None gen-uine without the trade-mark of the Buil. All dealers have it.

MESSTE. SEABURY & JOHNSON, Gentlemen:-Like most of my profession, I am cautious about pinning my faith to any new medicine or curative agent. But you BENSON'S CAPCINE POROUS PLASTER has broken through the barriers and won it way to my good opinion. My attention was first called to it some eight months ago by a patient of mine Although I was well ac-quainted with the superior excellence of your other plaster and antiseptic dressing, made especially for the profession, the Benson was comparatively new to me. I had heard however, of its merits as a remedy, in cases of Lame Back, Local Rheumatism, Neuralgia. Congestion of the Bronchial Tubes and Lungs. Dyspepsia, Torpid Liver and the like affections, and have since begun to experiment with it personally. I find BENSON'S CAPCINE PLASTER an exceptionally clean ly plaster to use, and rapid in its action. Many tests of its qualities, made in my own family and among my patients have convinced me that there is no single article so valuable for popular use, nor so helpful in the diseases I have named. Should you desire to do so, you may use my name to that effect.

Very traly yours, H. H. KANE, A. M., M. D. The genuine have the word CAPCINE cut in the center. Price 25 cents.
